

Updates to CofC Dining Schedule

Effective Saturday, May 23

In order to maximize health and safety measures for our students, CofC Dining will continue providing to-go meals from the City Bistro pick-up window. Effective Saturday, May 23 our updated service hours will be Noon - 2:00 p.m., Monday - Friday.

We will continue to offer ready-to-eat meals that can be ordered at the pick-up window during open hours of operation, as well as pre-ordered Meal Kits with pre-packaged dinner and breakfast items. In-stock grocery items will also be available for students.

Weekend Meal Kits will be available for pick-up each Friday. Weekend meal kits will include:

- Breakfast for Saturday, Sunday and Monday
- Lunch for Saturday and Sunday
- Dinner for Friday, Saturday and Sunday

If you would like a Meal Kit, please complete the online order form by 9:00 p.m. each evening for pick-up the following day. The Meal Kit order form can be found in two places:

- link in Instagram bio @cofcdining
- charleston.campusdish.com

We will post weekly menus on Instagram, and the online order form will be updated throughout the week. We will continue to accommodate food allergies and dietary preferences. If you have questions or needs, please let us know.

All CofC students who were enrolled as of spring 2020 - with or without a meal plan - are welcome to utilize this service. Students must bring and present their Cougar Card each day to pick up your meals.

We look forward to continuing to serve you.
